Selectmen's Meeting

JUNE 10, 1986 - by VIRGINIA ARRAL

CONCERNS EXPRESSED BY SHELLFISH CONSTABLE

Brian Nunes, Shellfish Constable, told Selectmen last Tuesday that he would like to purchase an 18-foot work skiff at a cost of $675. He explained there is $755. remaining in the propagation expense account.

Nunes said he has had to borrow skiffs from at least 12 people to complete the propagation work. "You can't go asking for donations of boats all the time," Nunes said. He also felt the 50 H.P. motor owned by the town can be repaired for about $600. after July 1 with expense money from the 1987 budget. He said if maintained and the bottom fiberglassed, the skiff should last a long time. It could be kept on a skiff slip on the west side of the wharf, he added.

Selectmen were of the opinion that the propagation account should not be used to purchase a boat; however, the question will be checked with the town accountant. Selectmen will make a decision next week, Selectmen Chairman John DeCosta said.

Nunes said if "we don't buy the skiff, I would like to spend the money to propagate about 50 bushels of quahogs." He added that he has had inquiries from residents of the Aucoot area to propagate in their area. Selectmen and Nunes agreed the shellfish should be placed at Hillers Cove where there is a public access rather than in a private area (Aucoot).

On another matter, Nunes was given the go-ahead to write to the State Division of Marine Fisheries requesting a Shellfish Density Survey be done in the Mattapoisett Harbor. He said the information will benefit other town departments, such as the Harbormaster. In response to Selectman Frank Suzan's question, Nunes said there would be no expense or obligation to the town.

Additionally, Nunes informed Selectmen he felt there should be a harbor patrol boat in the water at this time. He said he has been bogged down with complaints of lobster poachers and gear theft. "If this is what is happening now - what will summer bring?" asked Nunes. DeCosta commented, "This sort of thing has been going on since I was a kid". Nunes said he notified the state and they have been patrolling the harbor on Sundays.

Another concern expressed by Nunes is that the police radio has only six channels, as opposed to the radio in his truck which has a full channel set. The radio keeps getting blocked with pleasure craft using the same channels, Nunes noted. He felt a new radio with updated channels could be bought for about $600. This, and other concerns, will be discussed more fully with Steve Mach, harbormaster, and Carol Adams, executive secretary.

In other business, Selectmen:

MET BRIEFLY with two members of the Personnel Board to discuss bid specifications for the survey of salaries and town employee duties by a private company. Personnel Board Chairman Beverly Posiviata and Gaye D'Agata told Selectmen that their board had drawn up specifications and offered them to the Selectmen before going out to bid. State law requires going out to bid for any item over $4,000; town meeting voted to spend no more than $5,000 for the survey. Dis-

cussed was a suggestion to send the bid specifications to SCORE (a group comprised of retired businessmen).

READ A LETTER from American Cablesystems written in response to the board's query regarding senior citizen discounts. Carol Bradley, system manager, wrote, "Our current rate structure offers various levels of basic and premium service options giving subscribers the choice of as much or as little service as they feel is affordable. We do not feel that it would be a benefit to the company or the community to offer a discount based on age as a criterion. Age does not necessarily determine one's financial needs."

The letter continues, "To offer a senior citizen discount would increase administrative duties and costs to determine who would be eligible. Our basic rate is determined by the costs to operate and maintain the system. In essence, our non-senior subscribers would have to subsidize the discount for senior subscribers".

Executive Secretary Carol Adams informed Selectmen that discount service to seniors is available in Marion and Fairhaven, but only to those seniors living in senior housing projects.

The consultant recommended that at Center School consideration should be given to replacing one or both oil burners with modern retention head burners. Cast iron Smith boilers have obsolete oil burners which normally are not economical to operate. At Old Hammondtown School arrangements should be made for opening and draining the two Orr and Sembower boilers for internal inspection. He noted Massachusetts Boiler Code requires that hot water heating boilers be opened and drained for internal inspection every two years; these have not been drained in many years. No evidence of leakage of connections was found in the Fire Station boilers, and the condition of the protective appliances and controls was found to be satisfactory.

Donna Trott and Elaine Sylvia, auxiliary members, met with the board and informed them the dance on the town wharf would feature music of the 1950s with DJ Dick Mello. No refreshments would be sold. However, the Ice Cream Slip would be open, they noted. Mrs. Sylvia asked about the trailers parked in the dance area and the benches. Chairman DeCosta asked the ladies to coordinate the trailer parking with Wharf Commissioner Steven Mach and Highway Surveyor Manuel R. Nunes. DeCosta said the benches are broken and he hoped someone could repair them for the square dances this summer and "your August dance".

HEARD FROM State Senator William Q. "Biff" MacLean, Jr. (D-Fairhaven) that an additional $39.3 million in local aid has been included in the Senate version of the fiscal 1987 state budget. This amount is in excess of the fiscal 1987 Cherry Sheet. Mattapoisett's share of the excess will be $29,341, plus what has already been granted, making a total of $748,147.

We have $964.70, more than 50% of our total of $1,762.97 needed, for a household hazardous waste collection.

Why do we need this collection? Because hazardous waste materials should not be disposed of in our municipal landfill area. Municipal landfills are intended for regular solid waste with no harmful elements.

Secure chemical landfills are built to safely dispose of hazardous waste in a controlled environment. They are built where the ground underneath is tightly packed with clay and bedrock. Properly designed landfills include inert liners to seal the wastes within the landfill. In addition, elaborate liquid collection systems both above and below the liners add to the

"YOU MEAN THE AMOUNT OF OUR MORTGAGES IS THE SAME, OUR INTEREST RATE IS THE SAME, BUT YOU'LL SAVE THOUSANDS OF DOLLARS IN INTEREST?! WHAT BANK DID YOU GO TO?"
SOLD
SOLD

The SuperMortgage™ from Fairhaven Savings!

Yes, you can own your own house before you're old and gray. Yes, you can build equity faster and save thousands of dollars in interest.

It's called SuperMortgage, and here's how it works:

Instead of paying your usual monthly mortgage, you pay **half** your monthly mortgage every two weeks. Believe it or not, this sharply reduces the amount of your interest as well as the life of your mortgage.

To make things even easier, Fairhaven Savings Bank will deduct your SuperMortgage payments right from your NOW Checking Account. We'll even reduce your initial interest rate by ¼%.

To find out more of the advantages of SuperMortgage, drop by any branch of Fairhaven Savings.

SuperMortgage. Only at Fairhaven Savings Bank.

The Faces of Rochester

"The Faces of Rochester", a photo contest sponsored by the Rochester Historical Society for the 300th anniversary of the incorporation of the town, attracted about 25 photographers who entered some really fine views of Rochester and her people. The pictures will remain on exhibit at the Joseph Plumb Library for the month of June.

Winners: Color: Pam Clarkson of New Bedford, first place, $100.; Rebecca Fuller, second, $50.; Jody Church, third, $25.; Black and White: David Arruda of New Bedford, first, $100.; Tanya Sanders, second, $50.; Pam Clarkson, third, $25.; Honorable Mention, Georgia Chamberlain.

The Historical Society wishes to thank all the excellent photographers who entered our contest. Their photos will become part of our growing collection of photos of Rochester, and if we use them in any future publications or exhibits, will receive full credit. Thanks also to the judges Hal Peterson of The Shutterbug, and Mr. and Mrs. Macomber of Converse Photo.

Pesticide Study, Marion

At its meeting June 10th the Marion Pesticide Study Group heard a report from the town's Executive Secretary Ray Pickles as one of the first steps of the recently appointed committee to evaluate the various laws and regulations pertaining to spraying and the use of pesticides in Marion. The study was voted by the town.

To channel committee activities, the committee chairman Phil Taylor appointed three task forces; a regulatory task force to obtain and analyze the Federal, State and County laws and procedures regarding pesticides; a propagatory task force to identify stagnant water areas in Marion, and a toxicological task force to identify the toxicity of various chemicals used to control pests in Marion. Reports and recommendations will be forthcoming.

Committee member John Boyd gave a detailed report of a survey which in summary identified that there is a public distrust of what is safe and what is not safe to use as a pesticide. Of those surveyed a majority were distrustful of pesticides as it relates to spraying.

To bring to the committee and the public-at-large a better understanding of pest control, a number of speakers on the subject have been scheduled. On June 17, W. Michael King, Assistant Superintendent Plymouth County Mosquito Control Project, will address the group, and on June 24th, Dr. Dwight Peavey of the Massachusetts Pesticide Board will speak on the role of the Commonwealth in pesticide matters.

The public is invited to attend both the June 17th and 24th meetings which will be held in the Town House, Marion, at 7:30 p.m. All committee meetings are open.

BUCKETS & BIBLES, HYMNALS & HANDS

Saturday, June 21st, from 9:00 a.m. until 4:00 p.m., will be a work day at the Mattapoisett Historical Society Museum and Carriage House. There are inside and outside jobs to be done, including some painting on the outside of the Carriage House. If you can give us an hour or two or more of your time to help get the Museum cleaned, polished and ready for its July 1st opening, call Bob Coquillette (758-4972) or Bette Roberts (758-2654).

Also on Saturday, June 21st, we will accept any Bibles and/or Hymnals (dated pre-1900) people are willing to loan for our July exhibit. You may bring them to the Museum this day. This exhibit is being done in celebration of the 250th Anniversary of

She has worked part-time in a pharmacy.

RE-ENTRY SCHOLARSHIP

The Mattapoisett Woman's Club has also awarded a re-entry scholarship of $750.00 to a Mattapoisett woman working for a post-secondary degree or certification after a significant interval since her last formal education. This year's recipient is Judith Fister Johnson of Mattapoisett. A graduate of Bucknell University, Mrs. Johnson is working at Southeastern Massachusetts University for a certificate for teaching English in the Secondary School. Mrs. Johnson has worked as an instructional aide in the Old Rochester Regional School system, as a Special Needs Aide, a Chapter I Reading Aide, and a long-term English substitute. She has spent over fifteen hundred hours tutoring students in grades seven through twelve in various subject areas. Mrs. Johnson has been a primary facilitator in the Parent Counseling Workshops and Programs and presented STEP/TEEN workshops involving parents and staff of the school district. Mrs. Johnson's enthusiasm for becoming a teacher and helping young people grasp the fundamentals will enable them to become life-long

Mariner Youth Soccer

ANNUAL MEETING HELD

The annual meeting of the Mariner Youth Soccer Club was held on June 4th. President Dick Bordas welcomed club members and reported on the activities of the past year. More than 450 young players were enrolled in the fall and spring programs, both instructional and competitive. Based on pre-registration held in May the club is projecting close to 600 players this next season. The club will be looking to the future in terms of fields in order to accommodate the increased enrollment. There also is a need for additional coaches, especially in the younger age groups.

Later this summer there will be another registration for the fall program which will start on Saturday, September 6th. The club will also be offering coaching clinics which will be very valuable for new and/or inexperienced coaches. We are looking to parents and friends to volunteer as coaches, assistant coaches, and team parents. Please give Sharon Dean a call at 758-9201 if you can help.

At the end of the annual meeting election was held for new officers and members of the executive committee who are as follows: Sharon Dean, Mattapoisett, President; Bill Hoeveler, Marion, Vice-President; Barbara Souza, Fairhaven, Recording Secretary; Marthe Soden, Marion, Corresponding Secretary; Peter Foster, Mattapoisett, Treasurer; Paul Jordan, New Bedford, Director-at-Large; Jim McCarthy, Mattapoisett, Referee and Coaching Coordinator; Betsy Pimental, Rochester, Registrar. Age group and division directors are: Under 8, Ed Blicksman,

Marion Art Center

EXHIBITION OF PRINTS AND POSTERS

The Marion Art Center is exhibiting the limited edition prints and posters of Kate Emlen, a silkscreen artist who works in Hanover, New Hampshire. The one-woman show will open on Friday, June 20th, with a reception from 6 to 8 to meet the artist.

Kate Emlen has received numerous awards from the American Institute of Graphic Arts, the New York Art Directors Club and the American Museum Association. Most recently, a jury selected two of her posters for inclusion in the prestigious International Poster Biennale in Warsaw, Poland. She has exhibited in galleries in New England and the Hiroshima Museum of Art in Japan. Her posters for the Nantucket Whaling Museum and the Montshire Museum of Science are in the permanent collection of the Currier Gallery

of Art.

Most of Ms. Emlen's prints and posters depict the New England landscape; from the rocky coast to the rolling inland hills. They capture a time of day, a sense of place, a feeling of peace, and share a distinctive color palate; muted, understated, and harmonious.

Kate Emlen is delighted to be showing in Marion. "I have fond memories of some childhood summers here and learning to sail in a Beetle Cat", she recalls. "Others who love the Cape will see in my images some familiar boats and shoreline."

The exhibition runs through July 9th. The gallery is open to the public Tuesday through Friday, 1 to 5 p.m.; and Saturday, 10 a.m. to 2 p.m.

Children's Friendship Quilt

ON DISPLAY AT MATTAPOISETT LIBRARY

The "Have-A-Heart" friendship quilt, designed and hand-stitched by Mattapoisett children in grades 3-6, will be on display in the Mattapoisett Public Library until its raffling which will take place on Sunday, July 20th, during Mattapoisett's Harbor Days.

Although the quilt was originally scheduled to be raffled on May 31st during the Mattapoisett Parent Teachers' Festival of Fun Fair, it was decided ahead of time by all who had been involved with the quilt that the raffling would be postponed if $500. had not been raised in ticket sales by the end of that day.

Everyone who has seen the quilt agrees that it is more than worthy of that delay. The postponement will give more people a chance to see the fine and beautiful work done by the children, besides allowing the PTC to raise more in ticket sales. All proceeds from the sale of the quilt are returned to the children in grades K-6 by way of enrichment programs funded by the PTC and scheduled throughout the school year.

Work on the quilt began during the children's April vacation when 13 dedicated children stretched their talents and hands in friendship. The project was designed to give the children a chance to donate something that was truly their own - their time, their skills, their ideas and their creativity. Directed by Mrs. Ruth Bates with the assistance of many wonderful parents, these 13 children continued their work and were joined by many friendly hands from Old Hammondtown School children who worked

In hopes that the winner of the quilt will treasure the quilt as much as the children do, the quilt has been signed and dated. The signatures and ages of the following children have been worked in embroidery on white hearts on the backing of the quilt:

Michael Trott 10, Amy Chase 9, Stephanie Wood 8, Chrystal Walsh 9, Forest Bates 11, Nicole Reagan 11, Jen Frates 9, Kristen Throop 9, Amy Rose 10, Kerry Gaspar 8, Joann Pina 8, Glendon Homer 9, Rachel Bates 14 (ORR).

Four additional white embroidered hearts honoring all the children in grades 3-6 and those parents who helped with the stitching are placed in the corners.

Make the effort to see it in the library before it is raffled on the 20th of July. It is truly a work of art and, more import-

Wharf Square Dancing

37th YEAR OF SQUARE DANCING MATT. WHARF FIRST DANCE OF SEASON JUNE 28th

The first square dance of the 1986 season at the Mattapoisett Wharf will be Saturday, June 28th. Starting the summer with her smooth, easy style is Joyce Lyons, Caller for the Quincy Squares. Rounds will be by Vince Gregoire.

Sponsor for this first dance is the Florence Eastman Post 280, American Legion Auxiliary. Cost is $2.50 per person. The dance is from 7:30 to 10:30 p.m.; if it rains the dance will be held at the Congregational Church Parish Hall.

Dances at the wharf are mostly mainstream and always fun. If you don't dance, come and watch, it's free and very entertaining.

blood transfusions depleted the Hospital's blood supply and a plea for O Pos and A Pos blood was sounded over the Police and Fire bands. The community rallied and the response was immediate. Within minutes, thirty donors arrived at Tobey to replenish the blood supply.

Your Community Blood Bank would like to take this opportunity to thank the donors who responded in this emergency and to thank the community at large for their constant support of the Blood Bank. Traditionally, local citizens have voluntarily donated blood on a regular basis for use by any patient in need and have responded overwhelmingly to emergency needs. New regular donors and those who wish to be called upon as emergencies arise are always needed.

Tobey's Community Blood Bank is federally licensed and fully accredited. Potential donors are screened to exclude members of established high risk groups and those who have been exposed to infectious disease.

A Community Blood Bank yields the greatest possible benefit at the lowest cost and ensures the blood you receive is of the highest quality.

It is wonderful to be healthy, never having to experience surgery or accidents. However, remember if you have the need, an access to safe blood is available to each member of our community because Tobey's Blood Bank is continuously supported by voluntary donors from our community.

You can make a difference when blood is needed to sustain life. The ability to transfuse blood and its components is one of the major achievements of modern medicine. If you would like more information about becoming a donor, please call the Blood Bank at 295-0880, extension 257, or visit the Blood Bank held the second and fourth Tuesday evening of every month at 7:00 p.m.

"BRINGING UP BABY" OPENS CLASSIC FILM SERIES

BRINGING UP BABY opens the Classic Film Series at the Zeiterion Theatre in downtown New Bedford Monday, June 23rd. The 1938 comedy starring Katherine Hepburn and Cary Grant will be shown twice, at 2:00 p.m. and 7:30 p.m. General Admission tickets are available at the Zeiterion box office and all regular Zeiterion ticket outlets and are priced at $2.50 for adults and $2.00 for seniors and students. A strip of 7 tickets may also be purchased up through June 23rd for only $14.00.

Cary Grant plays a paleontologist who becomes involved with zany heiress Katherine Hepburn and her pet leopard Baby. The film, one of the greatest of all screwball comedies, also features May Robson, Charles Ruggles, Walter Catlett, Fritz Field, Jonathan Hale, and Barry Fitzgerald.

Preceding the feature film will be a cartoon short and Episode 1 of FLASH GORDON starring Buster Crabbe, the futuristic serial spectacle featuring Emperor Ming, Aura,

FREEDOM IS GOOD FOR YOUR HEALTH

Freedom is good for your health because among your rights is the freedom to select the doctor of your choice. And that brings up the quality of health services you get. Nobody dictates who shall treat your body; that should be your personal decision.

To herald the importance of freedom of choice, cooperating doctors of chiropractic throughout the U.S. are contributing to the treatment of a lady who represents American freedom. She is our renowned Statue of Liberty. For every patient visit, $1.00 will be contributed by our clinic in the patient's name for the repair of this monument of freedom.

FUN, FREE ACTIVITIES DURING THE WEEKEND

Dew Drop By for fun, free ongoing activities at the Children's Museum in Dartmouth during the weekend. Activities are included with Museum admission at no additional charge to Museum visitors.

MAGNETIC FUN will be ongoing between 10 and 12 on Saturday, June 21st. Visitors may explore the strength of magnetic forces as they experiment with magnets of various sizes and shapes. See how magnetism is used to make electricity and try to use a meter to measure electric current.

FOSSIL DISCOVERY will happen between 1:30 and 3:30 on Saturday, June 21st. Look into the past as you examine and explore fossils and make your own to take home with you.

Create your own design in RUBBER STAMP PRINTING on Sunday, June 22nd, between 3 and 5 in the afternoon. Experiment with color and design as you play with printing. Use the Museum's rubber stamps and colored inks to create your own designs.

RABBITS, RABBITS, RABBITS, will be the subject on Sunday, June 22nd, from 2 to 4 at the Museum. Come learn the basics of handling, feeding, and general care of rabbits. Meet the Museum's two Netherland Dwarf rabbits and see some other beautiful rabbits, too. Pamela Mendonca, dwarf rabbit breeder and a member of the American Rabbit Breeders' Association, will be here to talk with and share her knowledge with museum visitors.

The Children's Museum offers visitors the opportunity to explore through hands-on exhibits. Current exhibits at the Museum include the Hatchery, Colored Shadows, ETZA-PIZZA, Sportscar, WFUN-TV, a Spaceship, Beetlecat Sailboat, vegetable garden and grocery store, puppet theatre, "Curious World", Legoland, Dental Office, Clown Room, Reptiles and Amphibians, computers and live animals. Visitors may explore the outdoors on self-guided nature walks on the Museum's 60 acre site, climb upon an antique fire engine and play in a giant sandbox.

changes in landscape and town, in industries and in recreation of the Bay. Artifacts from the early Indian settlements will introduce man's first attempt at harnessing the natural power of the Bay, while a dramatic three-dimensional map will show the natural configuration of the Bay, as well as the changes made by 20th century man, most notably the Cape Cod Canal and New Bedford Harbor's hurricane dike.

The exhibition represents something unusual for the Whaling Museum. As exhibition director Nicholas Whitman explains, the Museum has traditionally focused attention on the area's whaling industry,

"but whaling was only one of the many ways southeastern Massachusetts has been dependent on the sea. The Bay tempers our climate, yields up fish and shellfish for our tables, provides a highway for commerce, and gives us the pleasure of summertime swimming and boating. No understanding of this region can be complete without an examination of the Bay and its uses."

In preparing the Buzzards Bay exhibition, the Whaling Museum worked with the Lloyd Center for Environmental Studies and the Woods Hole Oceanographic Institution. Funding for this four-and-a-half month exhibition was provided, in part, by Edson International, Commonwealth Electric, Ocean Spray Cranberries, Inc., Sippican, Inc., Vera J. Peak Rock 1664 marks the boundary between what was later to be Rochester in Plymouth County and Acushnet in Bristol County, commemorating the June 8, 1664 order of the court of Plymouth creating the new "Townships of Dartmouth".

The unveiling of the historical plaque will be attended by legislators, members of town government of both towns, scout and veterans' groups and other dignitaries. All are welcome.

Antique Fair

Antiques, crafts, homemade food promise to lure holiday travelers to Wareham for the Wareham Historical Society's 10th annual Antiques Fair on Friday, July 4th. The Fair is one of the area's most popular holiday events.

The site will again be Center Park on Main Street, surrounded by the 17th Century Fearing Tavern Museum, the Old Town Hall, the Old Meeting House, and other historic structures. The Tremont Nail Company, and its famous company store, are within walking distance.

Fair hours are from 10:00 a.m. to 4:00 p.m. and the event will be held rain or shine. The admission of $1.00 is for the maintenance of the Wareham Historical Society's buildings.

EIGHT WEEKS
to Better Photography

Why not make this the summer which moves you from a "snapshooter" to a photographer? We are now forming a new camera class with a strictly limited enrollment. Give me one night a week for the next eight weeks and I'll give you a dramatic improvement in the quality and composition of the pictures you take.

We meet on Wednesday evenings from 7:30 - 9:30 and we cover ALL the bases: Film, Lenses, Composition, Night Photography, What you Need and What you DON'T Need to take better shots. By limiting the size of the class, we have plenty of time for individual "hands-on" instruction. Sign up NOW.

"TABITHA INN" - OUR LADY'S HAVEN

Someone once said, "A building designed by a great architect will always adapt graciously to change."

In the case of the Tabitha Inn, the architect was the renowned Charles Brigham of Boston, who also designed Fairhaven's Unitarian Church, Millicent Library, the Town Hall and Fairhaven High School - just to mention a few - all at the behest of Henry Huttleston Rogers, the oil tycoon philanthropist and Fairhaven's favorite son.

"Adapt graciously to change" is what the Tabitha Inn has done repeatedly since 1904. As a somewhat private hotel in its early days, it catered to the tastes and comforts of the wealthy friends of the Rogers who sometimes came with family and servants for an extended "stay".

Meant to be a business venture - not a "gift" to the town the Inn became increas-

Designed by George C. Avila; commissioned by Fairhaven Savings Bank and produced by Pairpoint Glass (Cat. 437). On sale at Fairhaven Homecoming, Saturday, June 28; and at Mattapoisett Harbor Days, July 19 and 20. All proceeds benefit Community Trust Fund.

ingly commercial with time - especially after 1929, when it was sold to the Zeiterion Realty Corporation.

From 1942-44 it responded to the needs of youth and to the nation as a U.S. Coast Guard Training Center. Following World War II, the Catholic Diocese of Fall River purchased the Inn, converting it into a nursing home for the elderly. As such, it continues to extend hospitality, warmth and comfort today.

Visitors to Our Lady's Haven on Center Street in Fairhaven will find much of the quiet elegance of "wealth casually expended" in the handsome leaded glass of the original windows, the carvings of Rogers' Tudor roses, the lighting fixtures (of museum quality) and in the beautiful quartered oak stairway.

Local residents whose memories go back to pre-World War II days recall ballroom dancing exhibitions by George Avila and Marge Wilbur and stirring "musical entertainment" by The Wanderers featuring Earle Underwood, Sam Hathaway, Dennis Sylvia and Marshall Ross.

The English Tudor style building, true to its Elizabeth design, featured an inner courtyard for the staging of musicals, theatricals and jugglers' shows. A large addition built in the 1950s maintained the integrity of the U-shape as well.

JAZZ BAND COMPETITION

From 11 of the finest ensembles in eastern Massachusetts, the ORR Junior High Schol Jazz Band won top honors with a Gold Medal. The President of the state NAJE (National Association of Jazz Educators) called Mr. George Murphy, director, personally, to congratulate him and the students. Awards of excellence were given to Leif Ragnaldsen, Michael Jackson, and Timothy Titcomb. The HS Jazz Band placed fourth at the same competition earlier in the year, and awards were presented to Robert Lamoureux, Kevin Porter, Charles Jefferson, and Kevin Keene.

Congratulations to both groups and all the participants for a successful and rewarding year.

PUBLIC NOTICE

Children aged three through twenty-one who are found to be in need of special education are entitled to services from the school system. Anyone in the community who knows of a student who might need special services should contact either the local school or the Director of Special Education at 758-2772. We will provide information about the "rights of parents and children" and about how to access appropriate services.

Our school systems provide much planning information to the State Department of Education. These documents are public. Copies are available in the Special Education office (at the High School). We are open to answering questions and accepting comments about special education in any of our schools. Any parents or member of the community who would like to have input into our planning for special education should call the Director of Education at 758-2772.

Recently passed laws forbid your school system to discriminate against its staff and students on the basis of sex, national origin, marital status, race, color, or

well as an additional 850 acres in 8 other towns in southeastern Massachusetts. For more information please call 826-5050 or 224-2765.

After a brief business meeting and election of officers, beginning at 10:30, PCWT Reservations Committee Chairman LeBaron R. Briggs will give a short program of color slides highlighting the natural beauty of PCWT's 22 reservations. With weather permitting, a picnic in the woods will follow at the Stephen C.L. Delano Memorial Forest at the intersection of Mary's Pond Road and Walnut Plain Road, around noon. Bring your own lunch; PCWT will provide beverages and desserts. At 1:00 p.m. there will be a free guided tour of the Delano Memorial Forest, led by Nicholas Brokaw, Ph.D., a PCWT board member who is on the scientific staff of the Manomet Bird Observatory. He will point out the flora and fauna of the white pine-oak forest, which has a wet streamside area along the Sippican River. Car pooling to the Delano forest will be available from Town Hall.

All who share its goal of preserving natural areas in southeastern Massachusetts are welcome to become members of PCWT. A special invitation is extended to residents of Rochester. In addition to the Delano Memorial Forest, PCWT also owns 10 acres at the Bruce Reservation in Rochester. PCWT is a non-profit citizens' group which now owns nearly 1,000 acres in Bourne, Duxbury, Hanover, Kingston, Marshfield, Middleboro, Plymouth, Rochester and Wareham. Every year it sponsors outdoor events, special programs and receptions at interesting places. Over 325 individuals, families and local businesses are now members. Applications for membership will be available at the annual meeting or by mail from the Plymouth County Wildlands Trust, State Road, RFD 8, Plymouth, MA. 02360.

Money Management

FROM MASSACHUSETTS SOCIETY OF CERTIFIED PUBLIC ACCOUNTANTS, INC.

DO INCREASED MORTGAGE PAYMENTS REALLY SAVE MONEY?

By increasing your monthly mortgage payments, if only by $25., you could typically save $50,000 or more in interest payments and build equity faster. But the answer to a key question about interest rates, says the Massachusetts Society of CPAs, could also show that you may not save at all. Interest rates could make the difference.

In the early years, most of the mortgage payment goes toward interest payments and not the principal (the outstanding loan balance). But as equity increases, the outstanding loan amount decreases - and with it, the amount of interest charge. If you shorten the loan period by prepaying, less interest is paid overall, and the faster your equity grows. Prepayment is nothing new, and most conventional mortgages already allow for at lest some prepayment with no penalty.

Let's say the Smith family buys a home for $74,900, and puts $8,000 down. At 12.25 percent, their 30-year fixed rate mortgage of $66,900 would cost $701 per month. At the end of 30 years, the Smiths will have paid an eye-popping $185,475 in interest payments. A loan at 13 or 14 percent interest could well exceed $200,000 in interest payments.

If, from the start, the Smiths added only $25. to their monthly loan payment, bringing it to $726 instead of $701, they would have cut the loan term to 23 years and saved $49,379 of interest. If they added $50, the savings would come to $74,379 after only 20 years.

Prepayments are flexible. Additional

principal can be prepaid when money is available, or not paid when money is tight. Every additional dollar, no matter when it is paid, will help reduce interest. You will benefit the most, however, if you start paying early and keep your house until it is fully paid. But even those who sell along the way will benefit from increased equity.

Taking the idea of higher monthly payments a step further, let's say you had a two-year-old conventional 30-year $60,000 mortgage at 14 percent, and you had enough money to pay off in one payment the entire principal for years three and four. If the payment was $400, for example, that sum would shorten your loan term by two years, and that would lessen your interest by about $17,000. Not a bad return on $400. Or is it?

Before you begin to prepay your mortgage, either by adding a little to each payment or by paying off a year's principal, CPAs suggest you ask one question: Where else could you invest your money?

If the Smiths had begun putting their additional money in an investment paying the same percentage rate as their mortgage, they would have earned the same amount of money. In other words, paying ahead on a 14 percent mortgage yields, in effect, a 14 percent rate of return. So, if your mortgage is 14 percent, and the best investment you can find pays only 12 percent, you may be ahead of the game prepaying the mortgage.

Remember, once you invest additional money in a home through paying off the mortgage, the only way you can get it back is to refinance, take out a second mortgage, or sell the house. You may be able to find a relatively safe investment paying a higher yield than your mortgage, and one that is far more liquid.

If you have decided that prepayment is for you, but you are looking for a more regimented system, consider asking your lender to convert your monthly payments to biweekly payments. By the end of the year you will have made the equivalent of one extra month's payment. The result may surprise you. If the Smiths made biweekly payments on their $66,900 mortgage, the loan would be paid off in less than 19 years, rather than 30, for a total savings of $80,971 in interest charges. Full-term interest would have been $185,475.

The key, say the CPAs, is the interest rate. If you have a low interest-rate mortgage, and if you're considering moving in the next few years, keep your mortgage. But if you have a higher interest rate on your loan, and intend to stay put for several years, prepaying could bring you big dividends.

WALK THROUGH SAND DUNES

Join Dr. Alan Hankin, Lloyd Center Executive Director, on an early evening interpretive walk through the sand dunes of southeastern Massachusetts June 22nd at 6:00 p.m. This free walk will introduce the novice naturalist and provide information for the more experienced student of nature about the ecology, political and management aspects and the beauty of our coastal environment. There is no charge for this program but registration in advance is required. Registration can be made by calling the Lloyd Center at 990-0505 during regular business hours or on the weekend.

Dune systems are in a constant state of change, with shifting sands, migratory animals, mammals which are active late in the day and tides and currents changing the shape of the beach. On this walk we will explore the various forces which change our coastal features and the roles

which beaches and dunes play in stabilizing the coastal environment.

Birds, quiet during the hot daytime hours, become active again as night begins to fall, singing territorial songs during the early evening hours. We will observe the variety of bird life with an eye and ear for the adaptations of these creatures to the dune environment. We will search for evidence of small and larger mammals becoming active as the evening advances.

The shore in the evening is a relaxing and yet stimulating environment. Join us on this program to learn about and enjoy the coast. For additional information contact Bill Chamberlin, Outreach Program Coordinator, the Lloyd Center, 990-0505.

Dyer, Lloyd Center Senior Instructor. In case of rain the trip will be held on Sunday, June 29th.

Participants should bring a sack lunch, water and appropriate clothing. The cost for this all day excursion is $10. for Lloyd Center members and $12. for non-members. A few canoes are available through the Center. Registration is limited. For further information and registration please call the Lloyd Center at 990-0505.

The Lloyd Center offers bike and canoe trips each month in conjunction with the Buzzards Bay Project, managed jointly by the EPA and the Massachusetts Office of Environmental Affairs. The Project's purpose is to enhance the knowledge of local and state agencies and citizens so that they better understand the sources and effects of contamination in Buzzards Bay and its watersheds. The trips focus on the land use issues and natural history of the region. The bike trips are scheduled for the second Saturday of each month, while the canoe trips are scheduled for the fourth Saturday of each month. Upcoming trips include a bike excursion to Lakeville/Rochester region on July 12th, and the Mattapoisett River by canoe on Saturday, July 26th. For information on these or any other Lloyd Center programs please call the Center.

We live in our porch ...

in the spring, summer and fall. It takes a lot of abuse with 3 children, 3 cats and a dog. So, when we decorated it we needed to take the "abuse factor" into consideration. The wicker furniture came from a lovely woman's basement. We painted it white. The dhurrie rugs (great because you can flip them over) came from a shop in Newport - on sale, of course. And for our windows (15 of them!) and slipcovers we chose coordinated 100% cotton print fabrics by Barrows. Excellent because they offer a huge selection of fabrics in great colors (we chose rose) at a reasonable price.

We offer Barrows fabrics as well as many other fabric lines. We can help you decorate any room in your home taking your "abuse factors" and budget into consideration.

INSIDE-OUT
Custom draperies, slipcovers, bedspreads - whatever!
